How many people attended your kitchen table discussion? _____

Would you like to participate in a paired conversation? (please circle) Yes No

The questions we've asked are deliberately open and general. We want your feedback on the direction and priorities for WaterNSW. In the challenges section we've asked some prompt questions to get you thinking about the issues that we think are pressing, but we'd also like to hear about what you think is important.

1 What stood out to you in each of the challenges?
